Complete this course

1. Carefully review all lessons.
2. Complete the quiz with an 80 or better.
3. You may take the quiz as many times as you need to.

Plan your project

1. Do your background research.
2. Write a research plan: what data will you collect, and how?
3. Identify your participants and how you will find them.
4. Develop surveys and other data collection instruments.

Complete required forms

1. Register in LaunchPad.
2. Get parent/guardian permission to participate.
3. Create your project in LaunchPad and add any teammates.
4. Submit additional paperwork required.

Wait for IRB Review

1. Keep an eye on your email for messages from the IRB.
2. Respond quickly to reviewer requests by sending your edited paperwork.
3. Do not start collecting data until you get approval.

Begin your Experiment

1. Reach out to your participants.
2. Start collecting data.
3. Analyze your data.
4. Remember to always protect your participants' privacy!
